Factory/Manufacturing Location Same as above

Statement of Compliance: The product(s)/equipment identified in this Certificate and described in the Report covered under the above referenced project number have been investigated and found to be compliant with the relevant requirements of the above referenced standard(s) and versions. As such, they are eligible to bear the QPS Certification Mark shown below, in accordance with the provisions of QPS's Service Agreement.

IMPORTANT NOTE

In order to maintain integrity of the QPS Mark(s), this certification will be revoked if:

- (1) Compliance with the above-mentioned Standard(s) including any, informed through QPS Standard Update Notice (QSD 55) issued in future is not maintained, or
- (2) The product/equipment is modified after certification is granted, without prior written consent from QPS.
